Jesus did not teach any disciple to do what you are doing. It's not scriptural. This has nothing to do with Christianity. It is diabolical, spiritism

Who told u odunsinii is evil? God didn't make anything by mistake.. black people need to

 **Aim High** 1 month ago

@Kwame Aygapong including you ??? I am not against any odunsinii, it was what our ancestors were doing before we were deceived by people who say they are white. But one thing is that there is a difference between the two, all the same thanks for your insight.
